PERIOD OF VALIDITY: 1 October 2018 - 30 June 2019

All racket coverings listed are authorised at least until **30 June 2019**, with the exception of withdrawn coverings that stay valid only until **31 December 2018** and appear now on the last page.

The new rubbers entering LARC appear in **bold italics**, whilst other changes appear in **bold**, and both are **valid with immediate effect**. If you cannot find the racket covering you are looking for, please check the last page.

How to acknowledge a racket covering from LARC:

1. Make certain that you have the correct LARC (see date of validity, it is published twice a year, in April and October. Pdf files to be found on our website at all times: ITTF.com).
2. The supplier and brand names as well as the ITTF logo and eventually ITTF number should be clearly visible on the rubber.
3. These names should appear in the LARC and the moulded branding area should match the image on ITTF.com.
